Neighbourhood Watch meetings

THE next Shepshed Neighbourhood Watch beat meeting is to be held in Shepshed during October.

They are normally attended by the scheme co-ordinators and/or their deputies for a chance to catch up on what has been going on in their area.

Normally, the beat officers or other representatives from the police attend if at all possible.

Crime statistics and other useful information is then made available to the Neighbourhood Watch Group.

The next two Neighbourhood Watch Meetings for Shepshed will be held on Wednesday, October 22, and Wednesday, February 11, 2009 at 7.30pm in the town council offices, in Charnwood Road, Shepshed.

Co-ordinators are urged to attend or send a delegate to the meetings.

Witnesses sought over damage to cars

POLICE are appealing for witnesses to two incidents that happened in Shepshed during August.

The first incident was to a car in Neville Close, on August 27.

The car's bodywork was damaged and a fishing wallet with licence was taken causing £80 worth of damage.

The second incident involved a car in Belton Street, that happened on Saturday, August 30.

The car was parked on a driveway and the windscreen wiper ripped off causing £20 worth of damage.

If you have any information on these incidents call police on 0116 222 2222.

Cyclists return from twin town trip to France

FOUR adventurous cyclists are back from their trip to Shepshed's twin town, Domont.

The group, consisting of Karl Ginn from Shepshed, Simon Palin from Diseworth, Nick Gould from Loughborough and Stephen Dee from Shepshed, travelled by car, ferry and bike to the town.

Here they were greeted by members of the Domont Cycle Club, 20 of whom came to Shepshed last year.

The Shepshed Twinning Association has been supporting the return visit by raising funds, which were topped up by a grant from Charnwood Borough Council.

The men are pictured with their French hosts on their arrival in Domont. CNF
